## Sustainably or ethically produced products

Provide sufficient information to justify each product's inclusion, including its name/description and the specific ecolabel or sustainability criterion

- Certified to a recognized standard (e.g., Certified Organic or Fairtrade)
- Recommended by Monterey Bay Aquarium Seafood Watch (Best Choice, Certified, or Good Alternative) or regional equivalent
- Produced by campus farms or gardens using sustainable or ethical methods
- Grown, raised, or caught by small producers using verified sustainable or ethical methods
