

AASHE STARS Letter of Affirmation

Pre-Submission Review

To whom it may concern,

This summer, the Macalester College office team which consists of office staff, student employees, and first-year service members, responded to American University's request for an external audit for their STARS 3.0 submission.

In August 2024 our team utilized the STARS provided 3.0 template to review American University's report. Our team met with the American University team several time to address discrepancies. I can attest that all issues identified in the report have been resolved.

Please feel free to contact me at mbutler2@macalester.edu or 651-696-6020 with any questions or concerns.

Sincerely,

Megan Butler Sustainability Director Macalester College
